

ATTITUDE OF GRATITUDE

Welcome back! After a tumultuous and uncertain 2020, we are grateful to have been fully open and accessible for the majority of 2021. We want to take a moment to extend a huge THANK YOU to our members, staff, and board for riding these waves with us. It hasn't always been easy, but we truly feel like we are "all in this together." When you're with OCCU, you really are part of a family. Cheers to a healthy and happy 2022!
